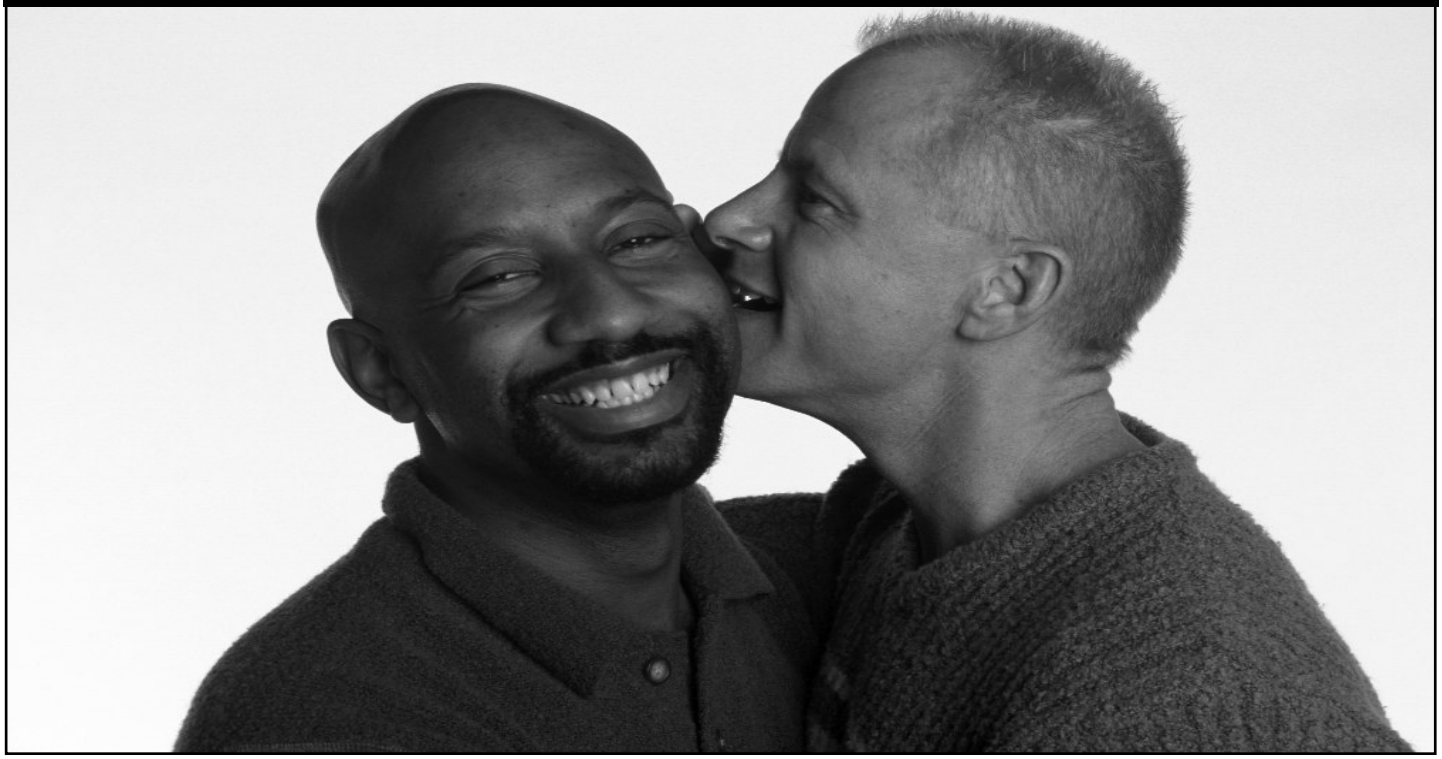
We're all doing it!



GROWING OLDER IN THE GAY COMMUNITY:

Like it or not, we're all doing it - growing older. Whether you're turning 30, 50, or 70, whether you're older or younger, this group is designed for you.

Over the course of 12 weeks we will explore all aspects of aging as they relate to gay and bi men. Areas likely to be discussed include: careers and career changes, age-related prejudice in the gay community, older / younger relationships, health, money, sex, the importance of friendships, and ways to create relationships at all stages of life

Come share your experiences with others who are exploring where they are and who they are as they grow and develop. Meet other gay / bi men who want to find strength and support within our community and within themselves.

There will be a pre-registration / orientation meeting on:

Saturday, September 23rd, 3 – 4:30 P.M. at Identity House
